 — **NEW YEAR** —

Greetings and happy new year family! We wanted to formally relaunch our monthly newsletter. This will highlight and recap all the amazing things God is doing around South Central.

In addition to relaunching our newsletter, we have some other updates to share. Youth and Young Adult Leaders will now have the opportunity to schedule one on one leadership training sessions which are designed to help you build and cultivate ideas for your local church programs.

We will be launching a video devotional series. This series is all about discovering God. We want to challenge you to ask the hard questions and then see how God will answer.

If you have any events or things you want us to highlight throughout the year please email myself at bstewart@scc-sda.org. You can also email jclewis@scc-sda.org so we can celebrate the great work being done!

Any questions, comments or concerns that you may have can be sent to youth@scc-sda.org and we will make sure to answer you the best way we can.

Make sure to follow us on facebook and Instagram @thesccyouth and on youtube at South Central Youth Department. Engage with us! We want to make sure that your voice is heard and your concerns are addressed.
