

| @THESCCYOUTH |

Family we are back! It's been a little while and we have missed you. Before we recap the amazing things that God has done for us this Summer we want to take the opportunity to acknowledge all our students! As the school year is starting please know the Youth Department is praying for a safe and successful academic year!

Our Summer kicked off with Camp Meeting! Our theme for the youth this year was It's Time to Go: World Changers. During Camp Meeting over 100 youth and young adults learned to establish an LLC, create a business plan and develop tools to turn their phones into mobile photography studios!

We also had the opportunity to host 87 Pathfinder's and teach 7 honors during our annual Midway this year! Adventurer Fun Day this year hosted over 60 youth! We praise God that our children were able to develop new skills and create connections.

Our Summer came to an end with Camp Thunderbird! We want to give a special thank you for all the Pastors', Parents, Youth & Young Leaders and church members who made Camp possible!

Because of your faithfulness we were able to host 110 youth between the ages of 7 - 17! During Camp Thunderbird we also had the privilege of baptizing 37 Campers and 3 counselors. God has truly given us the opportunity to reach our churches on every level and for that we are grateful

Fall Federations are up next! This fall season is going to be a time for youth and young adults to come together and experience true worship! Our first federation will be a Tri-State federation will cover Central AL, KY/Middle TN and TN River. Federation will be held on September 23, 2023. The theme will be World Changers: Impact. The location will be announced soon!

The Youth Department website has officially launched! On our website you will be able register for Church Basketball League, Pathfinders/Adventurers, Camp Thunderbird, Camp Meeting activities and so much more! On our website you will also be able to find your local federation. The website will allow you to keep up with all things Youth Ministries across South Central. The link for the site is thesccyouth.org.
